

*“Desire is the key to motivation, but it is determination and commitment to an unrelenting pursuit of your goal will enable you to attain the success you seek”.*

I am proud and exuberant to acclaim that the Editorial Board is ready with all new hopes and hues to bring out the 5<sup>th</sup> issue of **ANNE HAPPEN BYTES** which is going to showcase the entire picture of **CSSA** Education and I do admire the commitment of the Board members which is one of the main ingredients of success and success in turn adds to our self-esteem. If we are committed and have a purpose in life, nothing can take its place as the purpose underlines character, culture, position, and attainment of every sort.

Have you ever wondered why some people are able to make their dream a reality, while others' hope and dreams remain only a fantasy? What that propels some people to a higher level of fulfilment, lifestyle, and happiness? It is the need to be **COMMITTED** and **INSPIRED**. When your dream becomes your purpose, you are absolutely unstoppable. So, learn to centre yourself on a consistency and continual basis.

**Get Focussed:** learn to get your purpose clear, because when you live your dreams, you receive abundance in every single arena of life. We are sure that the positive attitude, hard work, sustained efforts, and innovative ideas exhibited by our young scribblers will surely stir the mind of the readers and will give confidence and encourage many more teachers and students to use it as a platform to express their creativity.

Establish your school in your hearts and in your minds as something of which you can really be proud.

Some people believe, and develop a plan  
Some people doubt, never think that they can  
Some people face hurdles and give it their best  
Some people back down when faced with a test.  
We all have a choice, we all have a say  
We are spectators in life, or we get in and play  
Whichever we choose, how we handle life's game  
The choices are ours, no one else is to blame.

I thank the Editorial team members for their great contribution for releasing the 5<sup>th</sup> Issue of Anne Happen Bytes with great effort and commitment.

# Conclusion

In today's fast-paced work environment, it's easy to get caught up in the rush of meeting deadlines, hitting targets, and navigating office administration etc. However, amidst all the chaos and stress, it's important to take a step back and recognize the hard work and dedication of our **CSSA Educational Institutions**. This issue has brought all such interesting stories of our Institutions.

Before we conclude, we thank the Almighty God for this, we can say like Samuel in 1 Samuel:12, "Ebenezer; Thus, for the LORD Has Helped Me" He has been with us in the process of making this issue. Just a '*Thank You*' is a mighty powerful prayer. Says it all."

Words cannot capture our appreciation for our superior General Rev. Mother Anthonamma! Her passion for teaching and nurturing Sister head mistresses is truly inspiring and we are ever grateful for all that she does for the institutions. Her consent for this 5<sup>th</sup> Issue of **Anne Happen Bytes** is great encouragement for the sisters in the Education apostolate. We do promise to work most and more.

We take a moment to thank all our Sister Heads & Principals for their contributions to our team. Their unique skills and perspectives have enriched our project and helped us to achieve great things. We are grateful for their hard work, dedication, and willingness to share their achievements for publication.

Huge thanks to St. Joseph's Press Management, Mugalivakkam, Chennai for their timely work and attractive designing and creating fine dining experience through the pages.

***We conclude with very inspiring quote:***

"Drench yourself in words unspoken,  
Live your life with arms wide open,  
Today is where your book begins,  
The rest is still unwritten"
